We don't salute the stars 'n' stripes, we don't stand up for the national anthem. The Anglo-American special relationship is dead with us. We like Belgian buns, French letters and Greek sex. We're Europeans at heart but we do feel like yanking off all over cracking Caroline!

CAROLINE

Lu Elissa proved so popular in last month's Razzle that we insisted she came back. Insisted so hard we sent a car and a couple of burly security guards to make sure we got our fix of the Welwyn Garden City pretty. "There was no need for that," she purrs. "Stripping for Razzle readers gets my pussy so hot and sticky!"

Secret sex in the City

I am not your typical Essex slapper but I do love sex. I love getting all my holes fucked regularly by my boyfriend Danny.

He's introduced me to all sorts of things. He's bought me a vibrator, handcuffs and he's fucked my arse for the first time (and many times since!).

I have also sucked his throbbing cock in Hyde Park, in restaurant toilets, on trains, down the high street and too many other places to mention.

There was one particular occasion that deserves a special mention, though. We were both working in the city and met at a pub near Liverpool Street tube for lunch.

We found two stools in the corner and started feeling each other up while four or five City boys were three feet away. I was rubbing his cock and I slipped my hand into his pants to jerk him off.

He was loving it, rolling his eyes upwards and getting really turned on. I was already soaking wet and he hadn't even touched me yet.

He slid his hand up my skirt and inched his middle finger into my panties and slipped it straight into my sopping cunt. I was horny beyond belief.

I didn't care about the bar staff and fellow drinkers, I just needed his lovely thick cock inside me urgently.

He told me to come upstairs to the gents toilets in thirty seconds.

They were the longest thirty seconds of my life. He had seen there was no one there, grabbed me from the hallway outside and dragged me into the tiny grotty cubicle.

He forced his cock deep inside my mouth and mauled my tits, telling me how horny he was and how I was going to get the shag of my life.

He bent me over the toilet, hitched my skirt up and roughly

GREY LIBERATION!

E.L. James doesn't just flog a dead horse – she stuffs a ball-gag in its mouth and attaches electrodes to its bollocks. She's releasing *Grey*, the entire *Fifty Shades of Grey* story repeated from Christian's perspective. Yawn. Luckily, other people have taken the inexplicably successful boredom 'n' bondage franchise and run with it. Here, in Private's ultra-kinky *hommage*, aspiring novelist Anna Rose gets more than she bargained for when investigating the private lives of a group of rich and glamorous women who are the sex objects of perverted men. From blindfolds, whips and handcuffs to the sexiest lingerie and the tightest latex, this is the film that should have been on at the local Odeon.

"I didn't care about the bar staff, I just needed his lovely thick cock inside me"

pulled my stockings and panties down. He fingered me quickly and then shoved his cock right up me in one vicious thrust.

I was literally dripping wet. He moaned appreciatively, grabbing my hips and pulling me back on to his rock hard shaft and thrusting violently into me.

This was no time for pleasantries, as there was no lock on the toilet door!

There was no way this could last more than a few minutes. I was surprised and impressed that he had lasted as long as he had.

But I could feel his breath quicken and I was desperate to get his thick ropy cum deep in my throat. He gave me a few final thrusts, pulled out and spun me round.

He fired wad after wad of beautiful jism onto my tongue and the back of my throat. I was so horny I milked him dry. But it's never enough, is it girls?

We dressed quickly, composed ourselves and walked out like nothing had happened. Suffice to say, when we got home we fucked each other silly.

He told me I was so good that he would do my arse as a treat. Yummy!

You know what it's like the first day of a new job – nervously working out who's who and what's what, how much stationery you can cram into your bag, and who's the fittest bird to flirt with at the photocopier. 18-year-old Tilly's first day as a Razzle model went off without a hitch, and she ended up without a stitch. "I was nervous at first, but I found out showing my bits to strangers is a real turn-on!"

MILF OF THE MONTH

The kids go in a kids club all day and I’ve got time to meet up with some of the dads. Their wives are too busy getting blotto in the bar to realise I’m getting fucked by their husbands in their hotel room. The kids always say I’m in a good mood when I pick them up!”

Sexy, teeny-titted Tia is freshly shaved and ready to rumble. “The feeling of a thick, lubed up cock sliding into my pussy can’t be beaten!” she says, a little unsurely. “But better is a big thick cock in my mouth at the same time! That feels more awesome!”

Take your prick of two horny girls

For years my missus has gone on about her crazy mate Jill, but I'd never really believed half of it because I'd never met Jill and I'd never seen my missus, Sam, do anything remotely wild.

Sam had arranged to go out for a drink with her, just the three of us, on Saturday night and she spent what seemed like a lifetime getting ready. This better be good, I thought.

She asked Sam all kinds of questions about me, where we'd met, what kind of man I was, what was our first fuck like, what did I like sexually, what did I do to Sam in bed, and to my amazement Sam told her everything, even telling her how I liked to have my bollocks squeezed when I come and that I really get off on squatting over her face with my nuts in her mouth as I wank on to her tits.

All through this, Jill kept looking at me in such a way as to make me think about what kind of a fuck she was, which stopped me from losing it with Sam.

By closing time we were all pretty drunk and we headed back to our place for some more booze. As we staggered off the bus, drunkenly laughing together, Jill said she reckoned I had a big dick and Sam offered her a look.

Then she came over to me and started undoing my trousers. I was drunk enough not to stop her and together they got my cock out at the end of our street and began feeling me up and fondling my bollocks until I had a mammoth hard-on.

By the time we got about five houses from my place, they were leading me along the street by my cock, laughing together and whispering between themselves. And then they ran off, going indoors and leaving me walking up the street with my dick out.

I walked into the front room to find them both stark naked on the sofa, their arms around each other, stroking each other's thighs.

"Bet you never thought you'd see Sam do this," said Jill and then Sam bent down over her friend's lap and began to lick at Jill's pussy!

Sam then climbed onto the floor and knelt between her mate's thighs, licking and fingering her cunt for all she was worth, and all the while Jill was staring at me, giving me a look that made me want to push my girlfriend out of the way and fuck this sexy girl's brains out!

"Why don't you fuck her pussy?" said Jill as Sam waved her arse in my face.

> "She'd been toying with my nuts and my girl's clit and was dying to be covered in spunk"

I squeezed in behind Sam and rubbed my dick up against her snatch, then Jill came round and took hold of my meat. She rubbed my dick over Sam's cunt and arsehole, asking me if I'd ever fucked Sam in the arse (I hadn't).

Then she pushed my dick inside Sam's cunt and fondled my balls as I fucked her.

"I'm gonna stick his dick up your arse, Sam," Jill said, rubbing Sam's clit and smearing Sam's pussy juice over her arsehole. I couldn't believe it, my girlfriend was gonna let me fuck her up the arse all on the say so of her horny mate!

Jill pushed my cock up Sam's arse, guiding me in and coaxing Sam to take it all the way. She was so tight it was all I could do to stop myself from fucking her hard and fast and shooting my cum up there immediately.

"Isn't that nice and tight, Jim?" Jill said, squeezing my balls. "Now, are you gonna cum in her or would you prefer to spunk in my mouth?"

I was torn, I would have loved to spunk up Sam's anus, but I had been watching Jill as she's been toying with my nuts and Sam's clit and her face was dying to be covered in my spunk.

I pulled out of Sam and Jill took hold of my cock, wanking it into her face, her mouth open and ready. My cum hit her on the cheek first, and then the next shot landed on her tongue. As she swallowed it, I came across her eyes and up her head. My spunk was everywhere!

Jill stayed over for three nights, during which she opened Sam up like a flower! The sex has never been better, so thanks Jill! Sexually, it has been the best time of my life!

The girl snorts and quick-as-a-flash says, "Isn't that what they put on tiny objects?"

TRUE CON

DEANA GIVES HER MECHANIC'S BODYWORK THE ONCE OVER...

At 22 years old I am proud to say that I am a sex-loving gal who has had her fair share of rude and horny experiences. However, something happened to me a few weeks ago that made me feel so damned horny, I haven't stopped wanking about it since. As I love reading the letters in *Razzle* anyway, I thought I'd write in and tell your readers about it.

I had booked my car in to be MOT'd at a local repair shop late on a Saturday afternoon and when I arrived, the place was deserted except for Mike, the tasty mechanic I had arranged the job with during the week. Mike is about 30 with a great bod, and the fact he was wearing a filthy pair of overalls only made him look sexier – and me more eager to get his dick inside me.

I had purposely put on my sexy high-heeled ankle boots, short skirt and some tan stockings, in case he was on his own in the workshop. Sure enough, the looks he was giving me as he examined the engine told me that he would be putty in my hands.

He put my beloved motor over the inspection pit and jumped down to take a look at the underneath, giving me the opportunity to oh-so-subtly flash my bare pussy at him. I stood near the edge and asked if he'd found anything. As he looked up, I knew he had a great view up my skirt, and by slowly moving my leg, I made sure Mike got more than a flash of my cunt.

"Isn't it the car you're supposed to be inspecting?" I asked.

"Er… sorry, miss," he replied, instantly going red and bumping his head against the car.

"I'm joking, Mike! If you want a look at my pussy, go ahead," I said, smiling, and lifted the hem of my skirt right up, while parting my thighs, so my fanny lips opened slightly. The poor sod didn't know what to do and just stared open mouthed at my crotch. I slipped a hand between my legs and spread my twat with my fingers, slipping an index finger into the warm goo that was already forming in my honeypot. Mike moved closer to the edge of the pit and tentatively raised his oily hand towards my hole.

"I SQUELCHED COPIOUS LOADS OF PUSSY JUICE DOWN HIS THROAT"

FESSIONS

"Hey, steady on, lover," I said quickly, "I may be acting dirty but I don't want those filthy fingers in my cunt. Why not slide them up and down my thighs and clean some of that mess off on my stockings?"

He immediately grabbed my legs, nearly pulling me into the pit, and I nearly came, as from my vantage point, I could see this pair of greasy masculine mitts grasping at my thighs while I continued to poke my slit.

"Suck it!" I commanded, and crouched on the lip of the trench so Mike could stand directly between my legs, his head in the perfect position for cunt sucking. I held onto the wheel arch of the car, leant back and thrust my twat against his face, revelling in the delicious feel of hot, wet tongue plunging into my tunnel.

This was good, like being on some bizarre form of exercise equipment, thrusting my pelvis back and forth while getting a damned fine tongue poke from an unseen lover. Mike's hands cupped my arse, and as his mouth clenched over my fanny mound, I came hard and long, squelching copious amounts of love juice right down his throat while squealing, far too loudly, with lust.

Luckily nobody heard, and now it was time to fuck – I was well turned on, and the dirt smeared all over my sexy get-up just added to it. There really is nothing like getting down and dirty! I've always wanted to be unceremoniously shagged while sprawled over a bonnet, and now was the time. Mike's face was a picture as I leant back over the car, my legs spread, and prised my tits from my bra. I licked my lips and made eyes at him as I squeezed my boobs, knowing he had a great view of my gaping, saliva and cum-soaked cunt. I writhed slowly against the cold steel like some porno slut, and beckoned him to fuck me.

I never even got to see his cock, so fast was it up inside me! He banged hard into my pussy all the way, filling me up instantly, and Mike was like a man possessed; humping, grunting and mauling my tits, arse and thighs in a frenzy. I came again as his prick thumped inside me like a jackhammer for minutes, before he came with a yell. I could feel the sheer force of his spunk as it squirted inside my hot tunnel for what seemed an age, making my pulsing pussy tremble with pleasure at the strength of his orgasm.

When he finally finished coming, Mike slumped on top of me exhausted and I held him close as his dick dwindled and popped from my hole. We stayed like that for a while, both of us momentarily forgetting how public a place we were in.

Cleaning myself up in the filthy toilet, I grinned to myself at the disgusting state of my dress and body. I was covered in grease, oil, spunk and sweat, and I felt fucking amazing! There really is something to be said for a good fuck to make a woman feel unbelievably good about herself!

Mike finished the car and I drove out of the garage with one eye on the small pool of jizz on the bonnet that slowly ran down towards the headlamp. I don't think I could've asked for better service from my garage – and I'll definitely be going back!

I threw myself into rugby boys' tackle

> "I fed on his cock like a woman possessed, licking his balls and tonguing his bell-end"

It started off like any other Saturday morning during the rugby season.

At 10 am I had eight bacon rolls and four mugs of coffee ready for my partner Dave and his three mates, Paul, Phil and Joe.

They don't play any more but they go to all the games at the local club, watch the match and get pissed. This time, however, Dave and the guys insisted I go along too. Joe told me it would be well worth my while, adding that they had a surprise for me.

I went along, my suspicious mind working overtime. It was pissing with rain so we watched the match from the clubhouse and got drunk.

After a while, Dave leaned across to me and said, "You know that fantasy where you get fucked silly by a load of men? Well tonight's your night if you're up for it!"

I looked at the others, who looked back at me in anticipation. "Let's go for it!" I said, and we shared a taxi back to our place.

In the back of the cab Phil, the cheeky cunt, got his dick out and motioned for me to suck it. Dave egged me on, so I got on my knees and started to blow it.

Someone, I don't know which one of them, was rubbing my pussy through my jeans and Joe was playing with my tits. Fuck knows what the cab driver thought.

Back home we all piled into the sitting room. The lads did a 'Full Monty' for me, my pussy getting very wet as I watched them strip off.

Paul then knelt down in front of me and started taking off my top and bra, playing with my tits and sucking my nipples while fumbling with the buttons on my jeans.

Joe then took over, taking my jeans and thong off. He

> **“As I was penetrated in both holes, I wanked off Paul with a free hand”**

started licking my saturated pussy. Phil was next naked and offered me his cock to suck on.

I fed on it like a woman possessed, licking his balls and flicking my tongue over his bell-end, much to the delight of Dave who had settled in a seat and was wanking away.

The guys took it in turns to suck my tits, lick my cunt and get a blow-job.

Then Paul pulled me off the sofa and made me kneel in front of him. He slipped his cock into my soaking love tunnel and started to shag me nice and slowly.

Joe was lying under me sucking my stiff nipples while Phil was shoving his cock in my mouth. Dave chucked a vibrator and some lubricant to Paul.

He continued to fuck away at my cunt while reaming my arse with the vibrator. It was at this point that I had my first orgasm.

They could all see I was coming to a climax, but only Dave knew I ejaculate when I cum. Paul pulled out and started licking my cunt while still plugging my butt with the vibrator.

I came all over his face, which to my delight he loved. Then Phil lay down and told me to straddle his cock. I did, and Joe started rubbing lube into my tight arsehole.

Then he slipped his prick up my arse to the hilt. It was my first double penetration and I loved it. Dave put his cock in my mouth and I wanked Paul off with a free hand.

After they had fucked me ragged, they put me on my back on a table in the middle of the room. They took it in turns to shoot their loads over me.

I frigged my clit while they shot their spunk over my mouth and face.

It was my most fantastic sexual experience and hope to do it again soon!

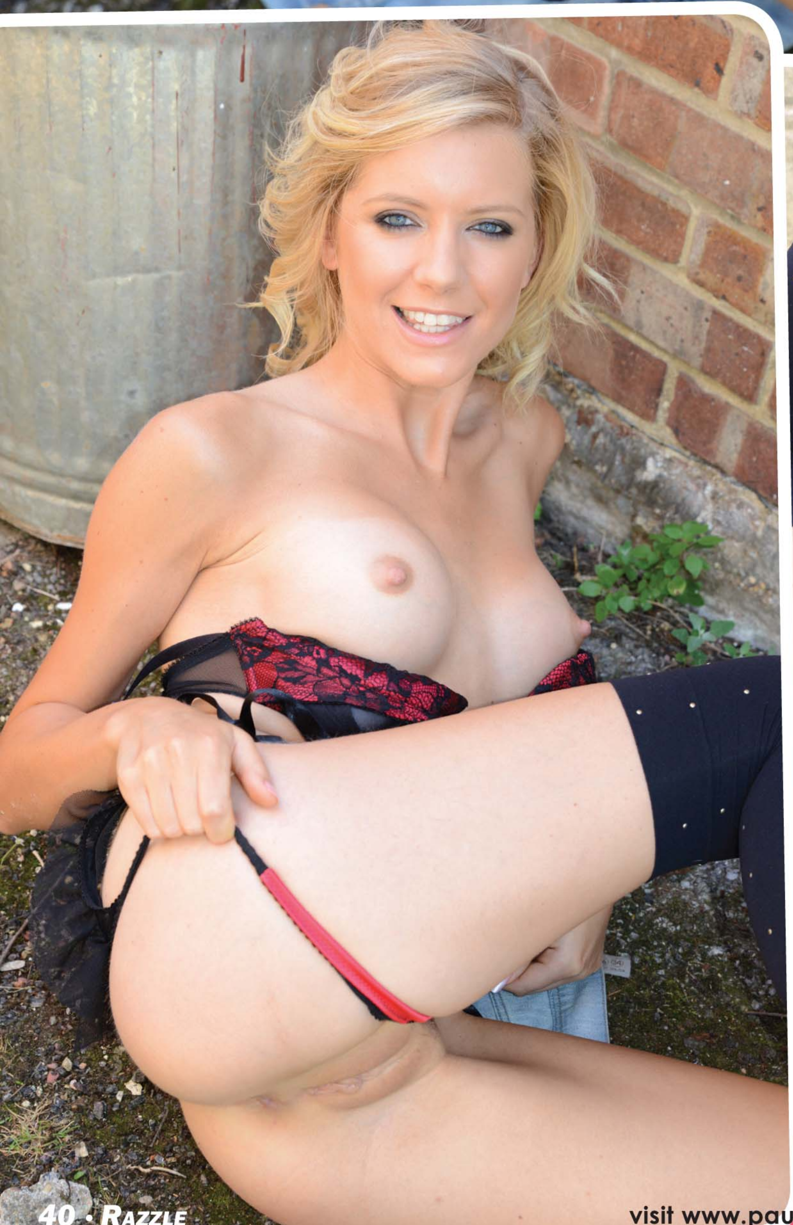
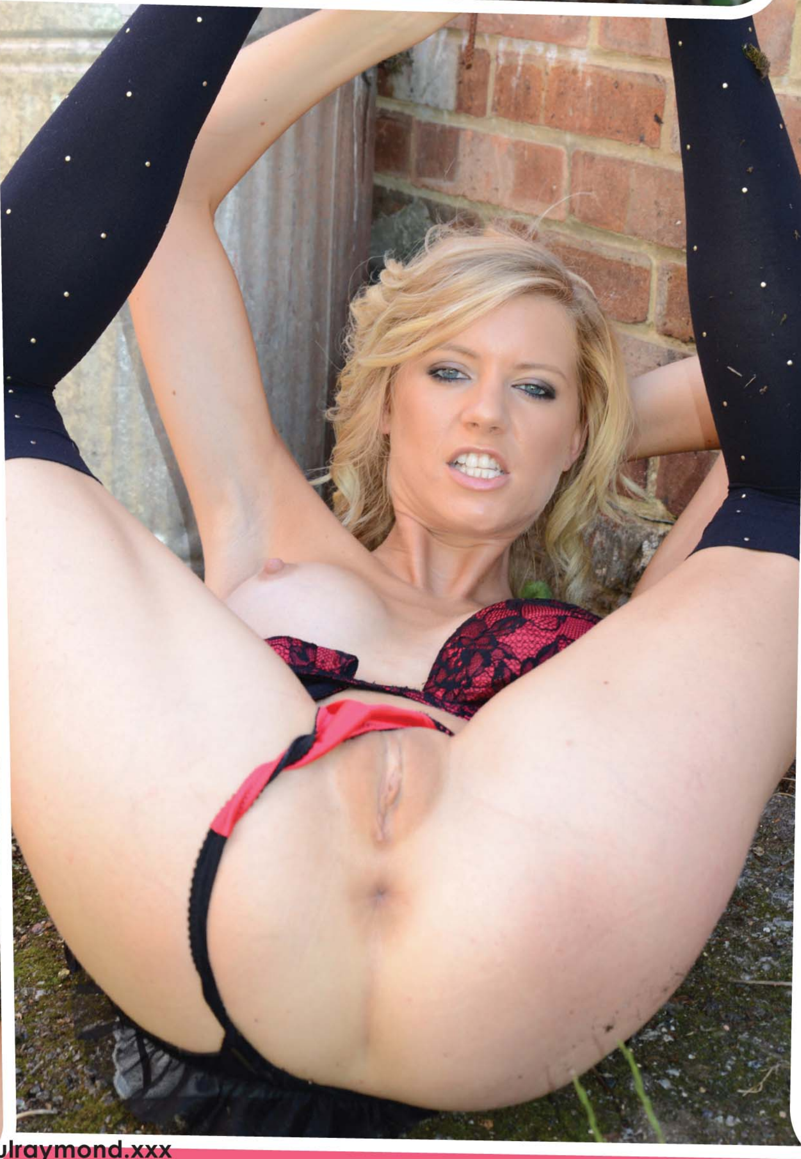
SOPHIA





Sophia likes a bit of outdoor action, and she loves it up the back alley too! "I get off on the idea of getting caught mid romp and having a stranger watch while I'm being bent over and buggered up my back passage!" Sophia tells us with a grin on her face and a gleam in the eye. "Of course, I make sure that I'm making plenty of noise so that I attract as much attention as possible."

Lucky fucker

Jessie & Tilda

Jessie and I have shared a flat for years now, but we have been lovers for going on 20 months. We have an exciting love life, and although ours is a true lesbian relationship we don't miss out on penetrative intercourse. But in the beginning, things were very different.

It took us such a long time to get together as I was afraid to say anything about my feelings towards her and certainly never guessed that she would return them. So, we lived in platonic silence until one fateful day, when we finally became intimate and we've not looked back since.

I was instantly attracted to Jessie for her daft and caring personality, but also because she's a knockout beauty with a genuinely perfect body. And I'm not being biased, either – she's a fashion model and presenter, so others must share my opinion of her perfection!

She's sometimes allowed to keep the items that she models, especially the intimate ones and, being good friends living together, Jessie is very generous about sharing her clothes with me, actively encouraging me to borrow any items from her extensive wardrobe. So, there was nothing new in me popping into her room to borrow a pair of boots like I did that particular afternoon, when she was away on an assignment.

What was new, however, was me stumbling across a bag containing several pairs of knickers that she had obviously worn for a shoot earlier that week, while I was rummaging around in the bottom of her wardrobe looking through her footwear. They were very sexy and I found myself picking each of them up and admiring them.

It did not take long for my imagination to switch to a picture of Jessie wearing them, and I could not help fantasising about her. I closed my eyes and the image of her naked except for the tiny undies played out in my mind. I was surprised and puzzled to find that my pussy was beginning to get wet. My breathing started becoming shallower and I let my hand wander between my legs and rub myself outside my clothes.

I had just put my fingers inside my knicker elastic, when Jessie

walked into the room. An outdoor shoot had been cancelled because of the rain and she'd been sent home – catching me in the act of rubbing away at my bits, with her smalls in my hand! Embarrassed and ashamed I ran from her room, my heart pounding. I could barely catch my breath as tears streaked my cheeks.

"She whispered that she was going to make my pussy squirt with her big plastic prick"

All at once I felt Jessie's arms around me and she was shushing me, assuring me that it was all right, that she fancied me too and that she'd like us to get together. After a great deal of the most wonderfully sensuous cuddling and then kissing, we climbed out of our clothes and lay together on my bed, our fingers probing and exploring each others most intimate recesses.

I was surprised when, after a while, Jessie suggested that we try a 69 position so we could have our first taste of each other simultaneously. Getting into position, I buried my nose between her legs, my tongue probing her delicate pink lips as I tasted her musky juice. It was luscious and sweet and even more delicious than I had imagined. As I stimulated her clit with my tongue I felt her warm, wet mouth sucking my labia and her teeth gently teasing my aching clitoris. I remember us both climaxing really quickly that first time together, but as we became used to each other sexually, our tastes evolved to include using vibrators and dildos as well as our fingers to penetrate each other's snatches. However, we've become very much more adventurous since Jessie bought a whopping big rubber strap-on dildo a number of months ago.

On the first occasion we tried it I helped her to strap it into place. It fitted neatly over her mound and the moulded rubber genitals looked very realistic. She looked magnificent sporting the erect rubber phallus, coupled with her pert jutting breasts and her softly rounded buttocks.

I was quivering with anticipation by the time I had finished doing the strap up and she put my hand on the huge, hard tool, whispering into my ear that she was going to make my pussy squirt with her big prick. Taking me in her arms we kissed deeply, our lips sucking and our tongues entwining before exploring the other's mouth. I began to feel my clitoris tingle and my vag dampen as I reached for her lovely boobs, fondling them, then lowering my lips to suck on her stiffened nipples.

Jessie guided me down onto our bed and reached down to spread my already slick and swollen slit wide. Running the head of the dildo up and down my wet gash, she lubricated the head of the fake dick with my juices while sending little shocks throughout my pussy and causing me to groan quietly every so often. She held it just inside my fanny-hole and, leaning down, she stroked my face lovingly with her hand and looked deeply into my eyes. I felt myself melt under her romantic embrace as her lips met

mine in a passionate kiss, but suddenly her hips slammed forward, driving the dildo to my very core and making me squeal loudly.

I opened my mouth, accepting her tongue inside as the hard rubber slipped effortlessly into my aching crack at the same time. My breath came in short gasps as she started to pound my cunt, the rigid plastic dong sawing in and out of my oozing slot.

My snatch walls went into spasm as they clutched the rubber phallus at each pump, my climax approaching. It was hardly a surprise – I was pounding my naked arse-cheeks up and down on the bed covers for dear life, being fucked by the woman I love. It

“I parted her bum cheeks and lapped at her hole until it was loose enough for me to penetrate”

was most intense orgasm I had ever experienced, so incredible that it seemed to flow from my pussy to engulf my whole being.

My back arched as my vaginal muscles contracted again and again. In the throws of multiple orgasms I could see Jessie smiling down at me as I squirted my juices down the shaft of the thick, rubber penis. Her voice was a faint whisper but I head the words quite clearly. She said: “When I’m finished fucking your cunt, darling, I’ll be wanting you to return the favour on my arsehole.”

I asked her to repeat herself, sure I had misheard as her bum was strictly off-limits, it being her final surrender, but she had already withdrawn her cock and disappeared from the room.

Reappearing a few moments later without the strap-on, but clutching a bottle of Prosecco and two glasses to “celebrate the virgin sphincter”, as she so eloquently put it, Jessie poured some out, clinked her glass against mine and I grinned at her wickedly as we sipped on the bubbly liquid. Then, putting our glasses aside, we began to caress each other again, lovingly.

“I frigged both holes at the same time as she thrashed around in ecstasy”

I brushed Jessie’s long hair from her face and kissed her gently, my lips sucking softly on hers before I bossily positioned her on her hands and knees, parting her bum cheeks and taking a quick lick of her juicy cunt before I set about rimming her. Lapping at her small anus made it twitch and contract, so I teased it until she loosened up enough to allow the tip of my tongue to gently probe her sphincter.

Squeezing a dollop of lubricant onto my hand I warmed it before massaging it into her bumhole. She was wriggling, clearly enjoying the attention, and as I prodded the entrance to her arsehole she moaned and pushed back slowly, forcing my finger inside her anal orifice.

I held my finger still for a moment as her spinster muscles contracted tightly around it. With my other hand I parted her soaking pussy lips and slid a finger inside. Simultaneously frigging both holes, I worked my fingers in and out of her like two small cocks as she thrashed her head around. Then, dipping her back and moaning loudly, Jessie’s whole body went stiff and both holes contracted strongly around my fingers as she came, her pussy fluid gushing as she surrendered her ring for the first time.

I’m sure another kink will come into play in our bedroom at some point!

When a man is tired of 26-year-old Surrey girl Dani Maye, he's tired of life. Big bra-bursters, trim snizz, curved and toned and horny as hell, what's not to like? "Some people say they don't like my accent, but that's not a problem when I'm slurping away at their cock, is it?"

DANI

Fuck Tha Police – quite literally in this case! "My boyfriend is always pestering me to wear this costume," confesses kinky Kelli, 25. "I cuff him to the bed and strip search him till he's as long and hard as my truncheon. Then I tease his nightstick with my tongue, demanding he confess to what a naughty boy he's been!"

Tales from the Edge
Boss Fantasies

Boss Fantasies

Released by: New Sensations
Starring: Skin Diamond, Karla Kush, Chanel Preston, AJ Applegate

BEST BITS: The power play and obvious sexual tension within each of the set-ups in *Boss Fantasies* make for some fierce and horny trysts. Every storyline is completely different and well thought-out, the script is good and the cast members are all stunning. Busty Chanel Preston shines as the dominant boss, obviously relishing the role as she orders her employee to lick her feet before ploughing her pussy thoroughly. Exotic Skin Diamond (*left*) is as mouth-wateringly fit as ever, her sexy mouth just as filthy when being screwed as when she's inhaling dick. Karla Kush (*right*), a super-cute blonde newbie, is the standout, though – she fucks like she's been dick-starved, while managing to remain angelic-looking throughout. Seeing her bouncing on her stunt-cock is well worth the cost of the DVD alone. This gal's gonna be huge, mark our words!

4/5

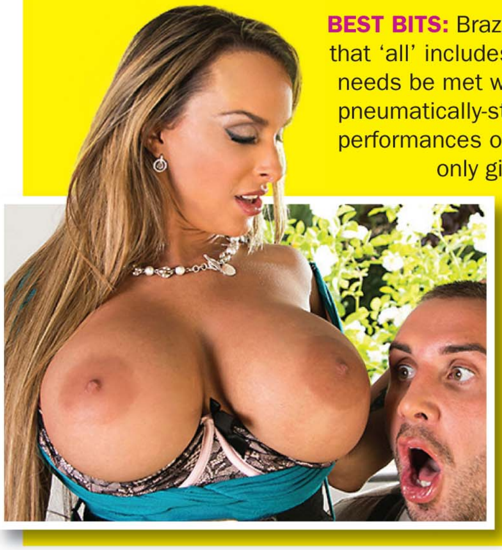
WORST BITS: A meagre four vignettes featuring disappointing pairings of a man and woman. Oh, for a couple of lesbians!

DVD FEATURES: BTS, photos, trailers.

Career Sluts

Brazzers
The World's Best in Big Tits!
Career Sluts
Busty Bosses in Charge!

Released by: Brazzers
Starring: Nikki Benz, Aletta Ocean, Alexis Ford, Romi Rain, Holly Halston (*left*)



BEST BITS: Brazzers' glossy *Career Sluts* seems to have it all – as long as that 'all' includes powerful businesswomen demanding that their sexual needs be met within their working environment. The big-name cast, including pneumatically-stacked Nikki Benz, is a winner, with some enthusiastic and mucky performances on offer. All-American girl Alexis Ford (*right*) not only gives her bloke a great tit-wank, but she takes him in missionary, spoons, doggie, cowgirl and reverse cowgirl, before taking a huge wad over her pretty fizzog. Raven-haired beauty Romi Rain gives the best blowie of this month's round up, gagging and spluttering while gobbling his meat down.

4.5/5

WORST BITS: The only threesome of the movie isn't actually set in an office.

DVD FEATURES: Extra scene, cumshot recap.

OOOAAR!

Bangin' The Boss 3

ZERO TOLERANCE
Bangin' the Boss 3
starring Karlie Montana
directed by Mike Quasar

Released by: Zero Tolerance
Starring: Karlie Montana, Ava Dalush, Romi Rain, Nadia Styles

BEST BITS: The concept is a strong one: powerful women in charge of the men who work under them. The female cast look amazing in their office attire and each brings their own unique style of shagging to the (boardroom) table. Redhead Karlie Montana's tight body (*right*) is ideal for being picked up and screwed standing, which is exactly what happens, before she gets royally poled in reverse cowgirl. However, the highlight for us is definitely Nottingham-born Ava Dalush's oral work and apparent love of jizz. If she's faking, she deserves an Oscar.

WORST BITS: Porn veteran Nadia Styles is disappointing – we expected much more from the usually insatiable ass-fucking fan.

DVD FEATURES: Extra scene, cumshot recap.

3RD DEGREE

Released by: 3rd Degree
Starring: Samantha Saint, Alexis Monroe, Megan Piper, Whitney Westgate, Brynn Jay

BEST BITS: Nominated for three XBiz Awards, Office Politics comprises of five glossy scenes, with not one but two leading ladies. Both leading ladies Alexis Monroe and sultry Samantha Saint (*right*) have over 100 flicks under their belts and it shows in their performances, the bitchy boss role suiting them. Alexis' perfectly toned body and 32Ds are made for sin and watching her clean up after a particularly messy facial is only matched by Samantha's flawless face being splattered with man-fat.

WORST BITS: The wooden acting all-round has a lot to be desired. The sex isn't spectacular, either, with the supporting cast severely lacking in the enthusiasm department and appear to be going through the motions, somewhat.

DVD FEATURES: BTS, photos, trailers.
